NUMBER 20.

## CITY ELECTION!

The Republicans Capture the Office of Mayor, And a Majority of Aldermen and School Trustees.

The Third Ward Slipped Away from Disorganization.

Dixon and Saltmarsh Over-Confident and are Defeated.

The Next Council and School Board Large- ly Republican.

The People Won in Every Instance Where Money Was Not in Use.

THE VOTE IN ALL DET. ILS.

The city election yesterday was one of the greatest ever held in the territorial metropolis, and taking everything into consideration was one of the greatest victories ever won by the republican party, the republicans capturing the mayor, six aldermen, and three school trustees.

A combination of circumstances, brought about by dissipation and, it is said, to the use of considerable money in certain quarters, the republican can claim for city clerk and treasurer, Dixon and Saltmarsh, were defeated.

It must be conceded that the republicans of third ward were not organized and therefore not in class fighting line, but that ward was captured by democrats.

Although the day was one of the best in election purposes, still there was a great turnout, last spring, 1,671 votes were cast for mayor, and only 575 were voted for.
